No. 122 , series of 2021

For : **THE PRESIDENTS/HEADS OF HIGHER EDUCATION INSTITUTIONS IN REGION III**

Subject : **FULBRIGHT PHILIPPINES RESEARCH GRANT WEBINAR SERIES**

Date : 26 August 2021

The CHEDRO-III encourages all HEIs to attend the “**Fulbright Philippines Research Grants Webinar Series**” on **28 August 2021, Saturday at 09:00am**. The Fulbright Philippines Research Grants Webinar Series offers virtual information sessions on the various Fulbright research grants offered under the Fulbright Visiting Scholar Program. These research programs award scholarship opportunities for Filipinos to conduct research projects in the United States.

The free webinars will highlight the eligibility requirements and application procedures for the Fulbright Visiting Scholar Program for Advanced Research and Lecturing, the U.S.-ASEAN Visiting Scholar Program, and the Fulbright-Philippine Agriculture Scholarship Program for Advanced Research. An open forum will allow participants to ask questions related to these research grants and to address other Fulbright scholarship queries.

Participants may register for this free webinar through this link: <https://bit.ly/Fulbright-Research-Scholarships>. Please expect an email message from Fulbright Philippines with instructions on how to join the online meeting room.

Should there be any queries about the activity, the institution's designated staff may coordinate directly with **Ms. Milagros R. Tan**, Program Officer, Philippine-American Educational Foundation (PAEF), Fulbright Commission in the Philippines at mtan@fulbright.org.ph.
