

## **AUTHOR'S NOTES**

This manual is made to guide the students and faculty in their Aeronautical Laboratory 1 activities. The Aeronautical Engineering sub-committee members of CHEDROIII have exerted their best efforts to create this manual. It is our goal to share our knowledge and expertise to every learning institution that offers Aeronautical Laboratory 1.

“I hear and I forget. I see and I remember. I do and I understand.”

— Confucius

## **AUTHOR'S ACKNOWLEDGMENTS**

The author would like to acknowledge the Aeronautical Engineering Sub-committee members of CHEDROIII and other faculty of Aeronautical Engineering faculty of School of Engineering and Architecture of Holy Angel University.
