Dear Madam:

Warm Christian greetings!

22010137

I have the honor to inform your good office that I am currently enrolled in dissertation writing as a requirement for the degree Doctor of Philosophy major in Education Management (Ph.D.-EM) at the College of Immaculate Conception (CIC), Cabanatuan City.

The title of my dissertation is "Research and Extension Interface of State Universities and Colleges in Region 3".

In connection with this, may I respectfully request permission to conduct interviews with all the research and extension directors of SUCs in Region 3, as well as request for the copy of their accomplishment reports in research and extension for the last three years (2018-2019, 2019-2020, and 2020-2021).

Attached herewith is a copy of the interview questions for the respondents of my study.

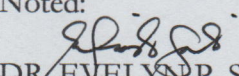

Rest assured that all gathered data will be kept in utmost confidentiality.

I am looking forward to your most favorable response to this request. Thank you very much, and may God richly bless you.

Respectfully yours,

Eloisa C. Gabriel
Ph.D. Student

Dean, CIC Graduate School

Dear Respondents:

Warm Christian greetings!

I am respectfully requesting for your precious time to answer this short interview. Your selfless sharing will mean a lot to me. It will provide supporting data needed to complete my research entitled "Research and Extension Interface of State Universities and Colleges in Region 3", which aims to identify the different research and extension programs conducted by the SUCs and their interconnectedness.

Rest assured that any information you will provide will be treated with the utmost confidentiality.

Thank you very much for being a part of my research journey.

Questions:

1. What are your university's criteria or standards for the production of researches to make sure these are relevant to the actual needs of the community?
2. Do you have linkages or tie-ups with the community specifically with the local government unit (LGU) to produce research that will cater to their business and industry needs?
3. How do you support strengthening university capacity in research management, patents and networking?
4. Do you have a Mode of Agreement (MOA) with scholarship providers to fund the faculty researches that will directly benefit the community? What are these scholarship grants or funding agencies?
5. What different capacity- building trainings your university provides for the researchers to be more effective and successful collaborators?
6. What are your initiatives in providing mechanisms to improve and strengthen the industry-academe-government dialogue?
7. What events or activities do you organize for innovation workshops and forums, conduct of studies and other activities geared towards linkages on innovation?
8. How do you actualize or implement the people's expectation to the state college or university as the driver of inclusive growth in the country through your researches, innovations, and extension programs?
