

COMMISSION ON HIGHER EDUCATION

CITIZEN'S CHARTER

2022 (3rd Edition)

Republic of the Philippines
OFFICE OF THE PRESIDENT

COMMISSION ON HIGHER EDUCATION

CITIZEN'S CHARTER

2022 (3rd Edition)

FOREWORD

Mandated by the Republic Act (RA) No. 7722, otherwise known as the “Higher Education Act of 1994,” the Commission on Higher Education (CHED) carries out its function of establishing a complete, adequate and integrated system of higher education that (a) promotes relevant and quality higher education, (b) ensures access to quality higher education, (c) guarantees and protects academic freedom for continuing intellectual growth, advancement of learning and research, development of responsible and effective leadership, education of high level professionals, enrichment of historical and cultural heritages, and (d) commits to moral ascendancy that eradicates corrupt practices, institutionalizes transparency and accountability and encourages participatory governance.

To fulfill these mandates, CHED provides several internal and external services that are streamlined, efficient, responsive, and centered to the needs of the transacting public. The Commission, in compliance with RA No. 11032 or the “Ease of Doing Business and Efficient Government Service Delivery Act of 2018,” crafted this Citizen’s Charter to make its stakeholders aware of the services being offered and provide them with pertinent information on the procedures, requirements, and timelines, including a feedback and complaint mechanism that allows the continual improvement of the agency’s processes and operations.

The Commission is one with the Anti-Red Tape Authority (ARTA) in its objective of promoting ease of doing business and in creating an effective, efficient, and dedicated government. With this, the Commission commits to constantly develop, update, and improve its services which would help in the eventual realization of its national commitment to a transformational leadership that puts education as the central strategy for investing in the Filipino people, reducing poverty, and building national competitiveness.

J. PROSPERO E. DE VERA III, DPA
Chairperson

Application for Grant of Authority to Offer Programs via the ETEEAP

Expanded Tertiary Education Equivalency and Accreditation Program (ETEEAP) is a comprehensive educational assessment program that recognizes knowledge, skills, attitudes and values (KSAVs) obtained by individuals from formal, non-formal and informal education and training and related work experiences.

Deputized higher education institutions (HEI) may administer competency-based evaluation by utilizing equivalency competence standards and a comprehensive assessment system employing written test, interview, skills demonstration and other creative assessment methodologies and award appropriate certificate or degree to the candidate who has earned the equivalent credits.

The deputization of a higher education institution (HEI) to offer programs via ETEEAP will authorize HEIs to grant degrees to prospective student applicants based on the individual's formal, non-formal and informal education and training and related work experiences.
