Statement on the false and misleading information circulating on social media regarding CHED scholarships

28 November 2023

It has come to my attention that several unofficial accounts on Facebook are misrepresenting and giving out false information about the scholarships and financial assistance offered by CHED and UniFAST.

These fake accounts bear the name and logo of CHED and are promoting application and registration links for CHED scholarships and UniFAST financial assistance.

On behalf of the Commission, I wish to set the record straight. The application period for scholarship and financial assistance grants offered by CHED per CMO 8, 2019, occurs annually from March 1 to May 31. These grants follow a prioritization scheme to quality and the availability of new slots is contingent on our availability funds.

The official handle names of the Commission on Higher Education are PhCHED.gov (on Facebook), @PhCHED (on X), and ched.gov.ph (website). Meanwhile, the UniFAST's official accounts are @unifastofficial (on Facebook), unifastgovph (on X), and unifast.gov.ph (website).

For any fraudulent or suspicious activity, you may report it to the Commission and its Regional Offices or the UniFAST Secretariat and its Regional Coordinators so we can respond appropriately.

J. PROSPERO E. DE VERA III, DPA
Chairman
Commission on Higher Education
