Subject : **Transformative Teaching: Modern Pedagogies for 21<sup>st</sup> Century  
Learners**

Date : **November 20, 2023**

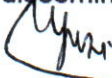

This Office endorses the subject undertaking “**Transformative Teaching: Modern Pedagogies for the 21<sup>st</sup> Century Learners**,” an online learning seminar organized by the Holy Angel University-School of Professional Education & Lifelong Learning (HAUSPELL) which was granted eligibility by the Professional Regulation Commission (PRC) as a Local CPD Provider. The online event will be held on **January 25-26, 2024**. This was granted **eight (8) CPD units** by the Council of Professional Teachers with **Dr. Felina P Espique, PAFTE President and Vice President for Academic Affairs of St. Louis University, Baguio City, as Resource Speaker.**

This two-day webinar aims to equip and help teachers to expand their repertoire of pedagogical skills to meet learners' needs in the 21<sup>st</sup> century marked by dynamic changes. It will introduce four fundamental student-centered approaches that are gaining momentum around the world, namely: **project-based learning (PBL), technology-enhanced learning (TEL), collaborative learning (CL), and design thinking for creative problem solving (DTCPS)**. Teachers are expected to adapt their curricula and embrace new pedagogical practices to further improve the competencies of their learners which will imperatively need the emphasis on the importance of soft skills (such as critical thinking, collaboration, creativity and communication), among many others.
