Subject : ROBOLUTION 2023: ROBOTICS AND AUTOMATION COMPETITION AND TRAINING

Date : 20 November 2023

---

The ERovoutika International (ERovoutika) is a global company that offers training, seminars, research and development, robotics and automation competition, engineering and ICT consultancy. In line with this, the Erovoutika International Robotics Academy will be hosting a virtual edition, ROBOLUTION 2023: 2<sup>nd</sup> International Robotics and Automation Summit and Competition on **December 8 and 9, 2023** with a theme: **“Unleashing Innovation: Navigating the Future with Robotics and Automation”**. For the two (2) day activity, attendees can look forward to a series of engaging activities, including robotics and automation seminar, workshops, competition, and presentations. Also, includes are exciting categories: ROBOSIM (virtual robot simulator), ZMRobo Innovative Challenge, E-ROBOT (Line Following Robot Classic), FREE-STYLE (innovative projects), Cyber ROBO Challenge (Cybersecurity in Robotics & Automation). The company invited Speakers who will share their profound insights into the latest developments in robotics and automation.

The objective of the activity is to bring together a diverse group of individuals to partake in the Philippine's first-ever virtual international summit and competition in the field of robotics and automation.

Relative to this, college professors and students are invited to join this virtual international summit. The registration for the competition is FREE. Before the event date, there will be a series of free training for all the categories and one of the highlights of the event is the approved CPD points as Training for all Professional Teachers and Engineers.

Interested participants may register through this link: <https://bit.ly/ROBOLUTION2023>.

Additional information about the competition can be found on their website <http://robolution.erovoutika.ph/> and Facebook page <https://www.facebook.com/erovoutika> & <https://www.facebook.com/robolution2019>.

Should there be any questions, you may contact the organizers directly through 09183634615.

Participation of all concerned is hereby voluntary.

  
**MS. LORA L. YUSI**  
Officer-In-Charge, Office of the Director IV
