The Commission on Higher Education hereby informs interested parties of the call for applications to the **Canada-ASEAN Scholarships and Educational Exchanges for Development (SEED) program launch for the academic year 2024-2025.**

The Canada-ASEAN SEED program aims to provide opportunities to students from ASEAN Member States countries to conduct short-term study or research in Canadian post-secondary institutions in areas that contribute to the implementation of the 2030 Agenda for Sustainable Development. Moreover, this scholarship program is facilitated through institutional collaborations and student agreements between post-secondary institutions in Canada and their partner institutions in ASEAN countries.

The application for the SEED program shall be submitted by the Canadian post-secondary institution (that are Designated Learning Institutions) on behalf of the eligible candidates from ASEAN member states on or before **21 March 2024**. Interested applicants are encouraged to inform their home institution of their intention to apply for the scholarship before the deadline, to provide sufficient ample time for coordination between their home institution and the Canadian institution.

Detailed information on the SEED program may be accessed through the website: <https://www.educanada.ca/scholarships-bourses/can/institutions/asean-anase.aspx?lang=en>.
