Subject : 1<sup>st</sup> QUARTER, FY 2024 CITIZEN/CLIENT SATISFACTION SURVEY (CCSS)

Date : March 11, 2024

The Commission on Higher Education (CHED), in support of government-wide improvement through seamless public service delivery, has institutionalized service quality standards in delivering critical services. Measuring and reporting the satisfaction level of citizens/clients served is vital in ensuring these standards are attained.

Hence, the CHED devised a Citizen Client Satisfaction Survey (CCSS) to determine and report the fulfillment of critical services to citizens/clients. The CCSS will generate verifiable data and tangible evidence to assist CHED Regional Office III (CHEDRO-III) in determining the effectiveness of implemented streamlining and process improvements through identified indicators or service dimensions.

As valued clients, this Office respectfully solicits the HEIs' experience in availing its services. The feedback will be used as bases for taking a proactive, responsive, and inclusive approach to delivering public services to clients.

In this connection, the following HEI officials are requested to rate specific CHEDRO-III services under their jurisdiction for the period **January 01, 2024 to March 31, 2024**, using the survey instrument, which can be accessed through this link: <https://forms.gle/8EH4mcjsYqkXkJ8TA>, on or before **5:00 P.M. of April 05, 2024**.
