

COMMISSION ON HIGHER EDUCATION

REGIONAL OFFICE III

CHEDRO-III MEMORANDUM
No. 100, series of 2024

For : ALL PRESIDENTS/HEADS/OFFICERS-IN-CHARGE OF HIGHER EDUCATION INSTITUTIONS (HEIs) IN REGION III

Subject : MONITORING OF THE ANTI-ILLEGAL DRUGS PROGRAM IN HIGHER EDUCATION INSTITUTIONS

Date : 03 June 2024

Pursuant to the Memorandum from the Office of the Executive Director No. 442, series of 2024 with subject "*Monitoring of the Anti-Illegal Drugs Program in Higher Education Institutions,*" dated May 29, 2024, all higher education institutions (HEIs) are enjoined to answer the enhanced survey on the implementation of drug education and prevention programs of HEIs until June 30, 2024. The survey can be accessed at: <https://bit.ly/PADSsurvey2024>.

The survey aims to:

- 1) Establish a baseline information on the implementation of the drug-free learning institutions policy in higher education institutions (HEIs) in the Philippines;
- 2) Identify the challenges and problems encountered during the implementation of the policy; and
- 3) Assess the status and extent of drug use among the student population.

The data collected will be used to develop and implement programs and projects that are tailored to the issues and concerns faced by the HEIs. They will also be used to assess the implementation of the drug-free learning institutions policy and identify potential areas for improvement.

Should there be any question/clarification, please directly coordinate with Mr. Adriane Brent S. Castro, Education Supervisor II, at (045) 402-66-59 or email at abcastro@ched.gov.ph.

For the HEIs' compliance.

DR. LORA L. YUSI
Director IV
