CHEDRO-III MEMORANDUM

No. 225, s. 2024

For : **ALL PRESIDENTS/HEADS OF STATE UNIVERSITIES AND COLLEGES (SUCs) IN REGION III**

Subject : **Aguman Ning Belwan 2024: 2nd National Multidisciplinary Research Conference**

Date : **October 22, 2024**

This Office endorses the subject undertaking **Aguman Ning Belwan 2024: 2nd National Multidisciplinary Research Conference** with the overarching theme: **“Research Revolution: Transforming Ideas into Impact,”** a pioneering initiative of the **Office of University Research Development, Tarlac State University (TSU)**. This event will be held via **hybrid modality** (onsite and online) from **December 05 to 06, 2024** at **Subic Bay Olongapo, Philippines**.

Through this national research conference, TSU, envisions to offer an avenue to showcase research findings of researchers from the Philippines and even from researchers coming from other countries. Specifically, this event hopes to accomplish the following objectives:

1. To provide an avenue for further exploration and development of research outputs;
2. To provide a forum for the productive exchange of ideas and sharing of experiences among academicians, practitioners, and stakeholders;
3. To provide opportunities for researchers to disseminate relevant research in a wide range of discipline within the country; and
4. To enable participants to establish networks and mutually beneficial partnerships with professionals from other HEIs and the stakeholders.

Should there be further queries regarding the conference fee and the like, interested participants may contact the Conference Secretariat, **Mr. Roman Rafael Manucdoc** through the following contact information: **09955196724** and email address **researchconference@tsu.edu.ph**. For more details about the conference, you may visit the event website at <https://aguman.tsu.edu.ph>. Attached hereto are the program poster, Call for Papers and the Conference Program.

For the voluntary participation of all concerned.

Wide dissemination of this memorandum is desired.
