**Subject** : 4th QUARTER, FY 2024 CITIZEN/CLIENT SATISFACTION SURVEY (CCSS)

**Date** : December 17, 2024

The Commission on Higher Education (CHED), in support of government-wide improvement through seamless public service delivery, has institutionalized service quality standards in delivering critical services. Measuring and reporting the satisfaction level of citizens/clients served is vital in ensuring these standards are attained.

Hence, the CHED devised a Citizen Client Satisfaction Survey (CCSS) to determine and report the fulfillment of critical services to citizens/clients. The CCSS will generate verifiable data and tangible evidence to assist CHED Central Luzon Regional Office (RO-III) in determining the effectiveness of implemented streamlining and process improvements through identified indicators or service dimensions.

As valued clients, this Office respectfully solicits the HEIs' experience in availing its services. The feedback will be used as a basis for taking a proactive, responsive, and inclusive approach to delivering public services to clients.

In this connection, the following HEI officials are requested to rate specific CHEDRO-III services under jurisdiction for the period **October 01, 2024, to December 31, 2024**, using the survey instrument, which can be accessed through this link: <https://forms.gle/8EH4mcjsYqkXkJ8TA>, on or before **5:00 P.M. of January 10, 2025**.
